

REVIEW AND ADJUST: PRE-REVIEW PACKET

The Office of Recovery Services (ORS) is authorized to review and adjust child support awards pursuant to Utah Code Annotated (U.C.A.) 62A-11-304.2, 62A-11-306.1, 62A-11-306.2 and 62A-11-307.1. In accordance with Federal and State law, you have the right to ask ORS to review your child support order. **Please be aware, the review may result in an upward or downward change to the child support amount.**

ORS uses Utah's child support guidelines found in U.C.A. 78B-12-201, et seq. to calculate child support awards. Completing the appropriate worksheets will assist you in estimating the child support awards for each parent and determining if your order may qualify for a review and adjustment. **ORS is unable to help you complete these pre-review forms.**

This packet contains the following documents used to calculate child support amounts:

- Utah Sole Custody and Paternity Child Support Obligation Worksheet;
- Child Support Obligation Tables effective January 1, 2010 for all review and adjustment actions.

The Request for Review and Adjustment of the Child Support Obligation form has also been included in this packet. If you have an open child support case with ORS and feel that your order may qualify for an adjustment, you may complete this form to begin a review process at ORS.

If a written request for review is received, ORS will review your child support order and determine if the order qualifies for an adjustment. The qualifications vary based on the age of the order. ORS will request that the child support award be adjusted if:

- **Child Support Order is at least 3 years old:**
 1. the new award is at least 10% higher or lower than the current award; and,
 2. the difference is not of a temporary nature.
- **Child Support Order is less than 3 years old:**
 1. there has been a substantial change in circumstances and proof has been provided;
 2. there is at least 15% higher or lower difference than the current award; and,
 3. the difference is not of a temporary nature.
- **ORS will not adjust your order:**
 1. if the youngest child will be 18 years old or emancipate within a year;
 2. if the non-requesting parent cannot be located; or,
 3. for other issues, such as parent-time or custody.

If your order does not require a parent to have medical and dental insurance for the child(ren), ORS may request that the order be modified to require either or both parents to get insurance, if it is available at a reasonable cost through employment-related or other group health insurance.

Once ORS receives a written request to review your order, a determination will be made based on the above criteria that the case qualifies for a review. If a case does qualify for a review, both parents will be sent a Financial Statement to complete and return to determine if an adjustment of the order will be completed. Along with a completed financial statement, you will also be required to provide verification of your yearly gross income. If required verification is not received, this may stop the review of your child support order.

If you request a review and later want to stop the review, ORS may contact the other parent to find out if the non-requesting parent wants the review to continue or to stop.

Enclosed is the Sole Custody and Paternity Child Support Obligation Worksheet. The Sole Custody Worksheet is used when the court order gives custody of the child(ren) to one parent.

If your court order gave custody of the child to one parent and now the child lives with the other parent and you have not gone back to court to change the custody in the order, ORS must use the worksheet showing the child living with the parent stated in the order.

If your court order is for split or joint custody, you may obtain the Split Custody Worksheet or the Joint Physical Custody Worksheet online at www.utcourts.gov/resources/forms/.

The guidelines are based on the "Income Shares" model. This model uses gross and adjusted incomes of **both parents** to determine the child support awards for each parent. The income that the child support is based upon is limited to the equivalent of one full-time job for each parent. Generally, overtime and additional part-time jobs are not included. Cash assistance, Supplemental Security Income (SSI), and Social Security Disability Insurance (SSDI) are not considered as income. Pensions, Social Security Benefits, Workman's Compensation, and Disability Insurance benefits are considered income.

Further instructions on how to complete the worksheet are on a separate sheet. **ORS is unable to help you complete these pre-review forms.** If you have questions or need help in completing the forms, you may wish to contact a private attorney. The laws governing child support can be found in Utah Code Annotated Title 78B Chapter 12. You can find a copy of the Utah Code at your local public library or at <http://le.utah.gov/>.

ORS may be assisted by attorneys from the Utah Attorney General's Office. They are the State's attorneys. They represent the State and are not personal attorneys for either parent.

INSTRUCTIONS FOR THE SOLE CUSTODY WORKSHEET

Line 1. Enter the number of natural and adopted children of the mother and father for whom support is to be determined. Do not include any children of either parent by another partner on this line. If a child for whom support is to be determined is an unemancipated minor who does not live with his parents, use the total number of children, including the unemancipated minor, by that set of parents for Line 1.

Line 2a. Enter the mother's and father's gross monthly income. U.C.A. 78B-12-203(1) states: "As used in the guidelines, 'gross income' includes prospective income from any source, including earned and nonearned income sources which may include salaries, wages, commissions, royalties, bonuses, rents, gifts from anyone, prizes, dividends, severance pay, pensions, interest, trust income, alimony from previous marriages, annuities, capital gains, Social Security benefits, workers' compensation benefits, unemployment compensation, income replacement disability insurance benefits, and payments from 'nonmeans-tested' government programs." U.C.A. 78B-12-203(2) states: "Income from earned income sources is limited to the equivalent of one full-time 40-hour job." Refer to U.C.A. 78B-12-203 for additional information about determining gross income.

All income must be verified. Verification includes: year to date pay stubs, employer statements or records, the last year's tax return and documentation of non-earned income appropriate to the source.

Line 2b. Enter the amount of alimony either parent is court ordered to pay and actually pays to another parent [U.C.A. 78B-12-204(1)]. Do not include alimony payments for this case. Alimony payments must be verified. Canceled checks or a statement from the recipient of the alimony may be accepted as verification.

Line 2c. Enter the amount of support either parent is court ordered to pay for children by another partner [(U.C.A. 78B-12-204(1)]. Previously ordered support may include specifically ordered payments toward a child's medical expenses, child care, or child support [U.C.A. 78B-12-102(7)]. A copy of the order is required for verification.

Line 2d. U.C.A. 78B-12-210(6) and (7) state: "(6) (a) Natural or adoptive children of either parent who live in the home of that parent and are not children in common to both parties may at the option of either party be taken into account under the guidelines in setting or modifying a child support award, as provided in Subsection (7). (b) Additional worksheets shall be prepared that compute the base child support award of the respective parents for the additional children. The base child support award shall then be subtracted from the appropriate parent's income before determining the award in the instant case.

"(7) In a proceeding to adjust or modify an existing award, consideration of natural or adoptive children born after entry of the order and who are not in common to both parties may be applied to mitigate an increase in the award but may not be applied: (a) for the benefit of the obligee if the credit would increase the support obligation of the obligor from the most recent order; or (b) for the benefit of the obligor if the amount of support received by the obligee would be decreased from the most recent order."

Use the WORKSHEET TO DETERMINE FATHER'S OBLIGATION TO CHILDREN IN HIS PRESENT HOME and/or the WORKSHEET TO DETERMINE MOTHER'S OBLIGATION TO CHILDREN IN HER PRESENT HOME to compute the obligations of the respective parents for the additional children.

Line 3. (See U.C.A. 78B-12-205) If the obligor's income is over \$1,050 complete the calculation as directed. If the obligor's income is \$650 to \$1,050 then calculate the child support award using the "Combined Child Support Obligation Table" and the "Low Income Table." The child support award will be the lesser of the two amounts. Enter the lesser of the two amounts on Line 7. If the obligor's income is \$649 or less, refer to U.C.A. 78B-12-205(6).

Line 4. The amount on the "Combined Child Support Obligation Table" shows the amount BOTH parents combined should contribute for the support of their children.

Line 5. Calculate each parent's share of the amount in Line 4 as a percentage figure.

Line 6. Calculate each parent's share of the amount in Line 4 as a dollar amount.

Line 7. The Base Child Support Award is the amount the obligor pays to the obligee. This is the amount the parent(s) without physical custody of the child(ren) pays all 12 months of the year. See the **Insurance Premium and Child Care Adjustment Worksheet** to determine how insurance premiums and child care expenses may change the amount the obligor pays to the

obligee.

Line 8. Designate which parent or parents have a support obligation based on this worksheet.

Line 9. Complete Line 9 to indicate if the amount ordered deviates from the guideline amount in Line 7.

Line 10. Complete Line 10 if the obligor will not be ordered to pay the guideline amount from either the "Combined Child Support Obligation Table," "Low Income Table" or in accordance with U.C.A. 78B-12-205.

The tables in this section should be used when establishing or modifying a child support order during the following time frames.

1. Establishing a child support order for the first time on or after January 1, 2008;
2. Modifying a child support order established on or after January 1, 2008;
3. Modify a temporary judicial child support order established on or before December 31, 2007, if the new order is entered on or after January 1, 2008;
4. Modifying a child support order established on or before December 31, 2007, if the modification is made on or after January 1, 2010.

Note: Only a portion of the guidelines tables are provided below. Utah Code Annotated 78B-12-301 and 302 contain the complete tables for combined income amounts up to \$100,000 per month. Utah Code Annotated can be found online at www.le.stat.ut.us.
